

Training Discount PROGRAM

Designed for townships, cities, counties, and municipal authorities

Investments in training and professional development are proven to have a positive impact on organizational productivity, customer service, and morale by improving performance and employee expectations. With this in mind, PSAB created a training discount program (TDP) for non-boroughs to ensure its educational programs are accessible to all PA local governments. A one-time annual fee of \$125 to join the TDP program allows your entire staff to access PSAB training at member rates.

PSAB offers about 65 webinars year and 50 classroom sessions across the state. For members of the Training Discount Program, the savings is significant. For example, a webinar is \$45 for members and \$80 for non-members. Additionally, more than one-third of these webinars are offered free of charge to TDP members.

All PSAB training is provided by experienced professionals and subject matter experts with extensive background in PA local government operations. Here is a sample of some training topics offered throughout the year.

- Complete Streets Policies
- Grant Writing & Management
- Labor & Employment
- Land Use Regulations & the MPC

- Municipal Budgeting & Finance
